

Package: surveyverse (via r-universe)

July 21, 2026

Title Easily Install and Load Survey Analysis Packages

Version 0.1.1

Description Makes it easy to install and load a collection of packages for survey analysis that build upon the foundational 'survey' package of Lumley (2004) <[doi:10.18637/jss.v009.i08](https://doi.org/10.18637/jss.v009.i08)>. Schneider (2025) <https://isi-iass.org/home/wp-content/uploads/Survey_Statistician_2025_January_N91_06.pdf> describes the three core packages in this collection.

Index**4**

surveyverse_conflicts *Conflicts between the surveyverse and other packages*

Description

Lists all conflicts between surveyverse packages and other packages that you have loaded. Conflicts are only reported for functions; identical implementations in different packages are silently ignored.

Usage

```
surveyverse_conflicts(only = NULL)
```

Arguments

`only` Optionally restrict to conflicts with a specific character vector of package names.

Details

Use the **conflicted** package to turn all conflicts into errors.

Value

An object of class `surveyverse_conflicts`, listing specific conflicts between surveyverse packages and other packages.

Examples

```
surveyverse_conflicts()
```

surveyverse_packages *List all packages in the surveyverse*

Description

List all packages in the surveyverse

Usage

```
surveyverse_packages(include_self = TRUE, core_only = TRUE)
```

Arguments

`include_self` Include surveyverse in the list?
`core_only` Whether to include only the core packages

surveyverse_packages

3

Value

A character vector of package names

Examples

```
surveyverse_packages()
```
